Foundation

Do you see these fireworks?

Fireworks mean something special is happening!

Many people around the world celebrate Lunar New Year.

Some people decorate with the color red and wear red clothes. Many people visit friends and family.

**We are going to have a special party at the library for Lunar New Year.**

You are welcome to come whether you celebrate Lunar New Year already or not. It will be a fun chance to see friends and maybe even try something new!

At our party, you can color, make a craft to take home, or do a Lunar New Year scavenger hunt. You can play with your friends and family.

You can also see a “lion dance” performance! The lions don’t look like real, live lions.

They look like this.

You will know the lions are coming when you hear the sound of the drum.

The lions will move around, across the floor and up and down.

How do the lions move?  
Surprise! There are people inside the costume.

At the end of the performance, you can get an up-close look at the lions if you want.

We hope that you come see the lions and celebrate with us at our Lunar New Year Party!
